

Annual Iowa Code 279.63 Financial Report Card

Chapter 279.63 of the Code of Iowa requires each school district to distribute an annual financial report. The majority of the required information is contained on the following websites.

The Iowa Department of Education has developed a web page that offers a report for each school district. Access to The School District Financial Report Card is through the Department of Education's website <http://reports.educateiowa.gov/report/financialReports/>. The link has a drop-down menu allowing you to choose the information by district name.

The Iowa Department of Management has also developed a web page <http://www.dom.state.ia.us/local/schools/index.html> - that contains a spreadsheet called "Outstanding Property Tax Levies and Maximum Levy Limits FY14." The link has a drop-down menu allowing you to choose the information by district name.

The following is required information that is not contained on the websites.
